

Recreation Fee Program 2003

Forest Accomplishments

Malheur National Forest

Forest Service, Pacific Northwest Region

Funds from user fees help maintain recreation resources on the Malheur National Forest. The following projects were completed in 2003:

Above: Crew members leveling a campsite at Magone Lake Campground.

During 2003, funds from user fees paid for an increased amount of campground maintenance.

Special projects, such as leveling 19 campsites at Magone Lake Campground, were also completed.

Other Projects completed include:

- Campground hosts at 5 campgrounds
- Increased presence of personnel; increased maintenance
- Parking barriers installed at 3 campsites
- Repaired, sanded and painted picnic tables
- Collection of trash during hunting seasons
- New gravel placed at 1 campground
- Repaired damage to 1 toilet building
- Stained 5 toilet buildings
- Hazard trees removed from sites prior to opening
- 1.8 miles of barrier-free trail maintained, repaired and signed
- 300 feet of barrier-free trail relocated

Thank you, your help makes a difference!

Forest Accomplishments

Prepared by the Malheur National Forest, Pacific Northwest Region, for the Recreation Fee Program to provide information regarding program accomplishments for Fiscal Year 2003
